PUBLIC COMMENT

Public comment cards are available and accepted on-site for one hour prior to the start of the meeting. Comment cards are not transferable to other speakers. All comments related to non-agenda items will be heard at the end of the Board Meeting. Comments addressing agenda items will be heard at the beginning of the meeting, in order of the corresponding agenda item, for the allotted thirty minutes or until all agenda-related comments have been heard. Speakers who submit public comment cards may have up to three minutes to address the Board. No presentation shall exceed three minutes, unless a translator is required, in which case up to six minutes can be used. The Board encourages but does not require delegations of more than five individuals to appoint one person to present the delegation's views before the Board.

CONSIDERATION OF CONSENT AGENDA

The purpose of the consent agenda is to allow the Board to identify and approve action items which require no additional information or discussion and for which there is unanimous approval to be enacted in one motion. Trustees receive agenda materials four days in advance of the meeting to prepare for the business to be conducted.

AGENDA ITEM: Consideration of Approval of the New Bachelor of Applied Technology Degree Program with a Major in Software Development

DISCUSSION: The 2023-2030 Collin College Master Plan identifies a priority to expand college programs and facilities to accommodate growth and employment needs throughout the service area, and the 2023-2030 Strategic Plan has identified a goal to expand baccalaureate degree options. Labor market analysis has indicated an increasing demand for software developers and software quality assurance analysts/testers. This new degree program has been researched and developed in accordance with the criteria required by the Texas Higher Education Coordinating Board and the Southern Association of Colleges and Schools Commission on Colleges. These criteria include job market analysis, employment projections, enrollment projections, integration of the general education core with career and technical skills, faculty recruitment planning, and industry advisory committee input. Collin College's Curriculum Advisory Board and Academic Leadership also reviewed the degree plan and recommend approval. The upper division coursework in this program will be offered both on-campus and online.

The proposed BAT degree in Software Development includes 42-semester credit hours of core curriculum courses, up to 45-semester credit hours of lower division technical coursework in computer science and programming courses, and 33-semester credit hours of upper division coursework in software development. The BAT degree with a major in Software Development is designed to build on Collin College's existing AAS degree in Software Development/Web Development and associated certificates. As required by Texas law, the BAT degree requires students to complete a total of 120 semester credit hours.

**DISTRICT PRESIDENT'S
RECOMMENDATION:**

The District President recommends approval of the new Bachelor of Applied Technology degree with a major in Software Development.

SUGGESTED MOTION:

"Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves the new Bachelor of Applied Technology degree with a major in Software Development."

AGENDA ITEM: Consideration of Approval of the Collin College Academic Alliance and Moving of the Multi-Institutional Teaching Center from the Collin Higher Education Center to the Technical Campus

DISCUSSION: Approval of the Collin College Academic Alliance will create multiple new baccalaureate and graduate-level degree opportunities by university partners within Collin County.

Selected university partners were chosen by a faculty and staff committee who reviewed submissions to a prospectus sent out on June 1, 2023 to more than 25 in-state and out-of-state schools. Chosen partners include Texas A&M – Commerce, Texas State University, and The University of Texas at Dallas.

With approval, an official request will be submitted to the Texas Higher Education Coordinating Board to move the Multi-Institutional Teaching Center from the Collin Higher Education Center to the Technical Campus to begin initial program offerings in Fall 2024.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of the Collin College Academic Alliance and seeking a modification through the Coordinating Board to move its existing Multi-Institutional Teaching Center from the Collin Higher Education Center to the Technical Campus.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves the Collin College Academic Alliance and seeking a modification through the Coordinating Board to move its existing Multi-Institutional Teaching Center from the Collin Higher Education Center to the Technical Campus.

AGENDA ITEM: Consideration of Approval of Partial Tuition Waiver for Out-of-District and Out-of-State Dual Credit Students

DISCUSSION: Texas Education Code Section 54.216 authorizes the governing board of an institution of higher education to waive all or part of the tuition and fees charged for a student enrolled in a dual credit high school course.

Many families are moving to Collin College's service area but not inside the taxing boundaries of the College. The Board adopted this waiver in 2019 as a pilot. During the 2023-2024 academic year, over 3,000 dual credit students with out-of-district or out-of-state residency status enrolled in classes, more than triple the number before the pilot. The return on investment since the adoption of the pilot is over \$7,000,000.

With the implementation of House Bill 8, the waiver becomes even more important. To promote a college-going culture in collaboration with our local independent school districts and maintain an equal tuition rate for dual credit students, a waiver equal to the difference between in-district and out-of-district or out-of-state tuition is recommended. Once students graduate from high school, they will no longer be eligible to receive the waiver. Only students who live in the College's service area are eligible for the waiver.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of a partial waiver of tuition for out-of-district and out-of-state dual credit students living in the College's service area that will result in a tuition rate equal to in-district tuition for dual credit students effective Fall 2024.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves a partial waiver of tuition for out-of-district and out-of-state dual credit students living in the College's service area that will result in a tuition rate equal to in-district tuition for dual credit students effective Fall 2024."

- AGENDA ITEM:** Consideration of Approval of Adding Co-Educational Esports, Men's and Women's Golf, and Women's Volleyball to Collin College's Athletic Programs
- DISCUSSION:** Since Collin College athletics began in 1988, teams have successfully competed in multiple National Junior College Athletic Association (NJCAA) events. Current offerings include men's and women's basketball and tennis.
- This proposal would allow for application submission to the NJCAA for participation in co-educational Esports beginning Fall 2024, men's and women's golf beginning Fall 2024, and women's volleyball beginning in Fall 2025.
- These programs will follow the existing funding models used in our basketball and tennis programs by utilizing auxiliary funds for student scholarships and Student Activity Fee Advisory Committee (SAFAC) funds for equipment, recruitment, and travel.
- Projected expenses for men's golf, beginning in Fall 2024, are \$75,008 in auxiliary funds for six full scholarships and SAFAC funds of \$12,000 for equipment.
- Projected expenses for women's golf, beginning in Fall 2024, are \$75,008 in auxiliary funds for six full scholarships and SAFAC funds of \$12,000 for equipment.
- Men's and women's golf programs will share an allotment of \$2,500 for recruitment and \$25,000 for travel out of SAFAC funds.
- Projected expenses for ESports, beginning in Fall 2024, are \$12,000 in auxiliary funds for three full scholarships and SAFAC funds of \$5,000 for equipment, \$1,000 for recruitment, and \$3,000 for travel.

Projected expenses for women's volleyball, beginning in Fall 2025, are \$131,264 in auxiliary funds for eleven full scholarships and SAFAC funds of \$14,000 for equipment, \$4,000 for recruitment, and \$40,000 for travel.

**DISTRICT PRESIDENT'S
RECOMMENDATION:**

The District President recommends approval of adding NJCAA Esports and golf in Fall 2024 and women's volleyball in Fall 2025.

AGENDA ITEM: Consideration of Approval for the Expansion of the Motorola Solutions Avigilon Video Security Platform Across All Campuses

DISCUSSION: The Avigilon video security platform was beta-tested at the Wylie Campus and, subsequently, installed at the Celina Campus in October 2023. Based on in-depth testing and simulations, it was found that the system would be beneficial to all campuses throughout the District.

The installation will utilize the existing investment Collin College has made in security infrastructure, cabling, and networking. It will also utilize the existing investment the College has made in newer generation camera and sensor technology, in addition to adding advanced analytics to these devices through the platform, as necessary, and replacing older, out-of-date, out-of-warranty technology where needed.

The project involves an initial capital investment in year one of \$3,334,110, which includes all system infrastructure of materials, software, labor, warranty, and a \$250,000 contingency. Recurring costs are \$123,573 per year in years two through five for a total recurring cost investment of \$427,090 over the next four years. The total project cost is expected to be \$3,761,200 with \$38,800 for contingency for a total of \$3,800,000.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of expanding the Motorola Solutions Avigilon video security platform across all campuses and also recommends approval of a budget amendment of \$3,800,000 from the building fund net position to affect the purchase.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves the expansion of the Motorola Solutions Avigilon video security platform across all campuses and also recommends approval of a budget amendment of \$3,800,000 from the building fund net position to affect the purchase."

AGENDA ITEM: Consideration of Approval for the Selection of IN2 Architecture for the Architectural Design Contracts for the Renovation of the Plano Campus, Courtyard Center, and Collin Higher Education Center

DISCUSSION: Over the past year, IN2 Architecture, working in conjunction with Collin College's Executive Leadership Team, has developed an updated, long-range Master Plan for the College. The Master Plan is divided into three phases. The first phase of the Master Plan, presented to the Board in November 2023, includes renovations at the Plano Campus main building, Courtyard Center, and Collin Higher Education Center.

All of the renovations will require the design firm to have extensive knowledge of the existing facilities. IN2 Architecture's facility knowledge gained while developing the latest Master Plan and previous performance and experience on the College's 2017 bond program makes them the most qualified firm for the renovations. Based upon these facts and Texas Government Code, Section 2254, which allows for selection of architectural firms based upon demonstrated competence, Collin staff recommends the selection of IN2 Architecture for architectural design services for the projects noted above. Collin staff have received a cost proposal from IN2 Architecture for these design services for 7% of the total projects' construction cost and found this proposed percentage to be fair and reasonable for renovation work. The estimated design cost would be \$4,703,280 with a contingency of \$296,720, for a total not to exceed \$5,000,000.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of the Selection of IN2 Architecture for the architectural design contracts for the renovation of the Plano Campus, Courtyard Center, and Collin Higher Education Center and also recommends approval of a budget amendment not to exceed \$5,000,000 from the building fund net position to affect the purchase.

SUGGESTED MOTION:

“Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves the Selection of IN2 Architecture for the architectural design contracts for the renovation of the Plano Campus, Courtyard Center, and Collin Higher Education Center and authorizes the District President or designee to negotiate and execute contracts with IN2 Architecture in an amount not to exceed \$5,000,000 as well as approval of a budget amendment not to exceed \$5,000,000 from the building fund net position to affect the purchase.”

AGENDA ITEM: Consideration of Approval of the Designated Delivery Method for Construction Services for the Collin College 2023-2030 Master Plan

DISCUSSION: Inasmuch as Collin College is a public junior college authorized under Chapter 130 of the Texas Education Code, the College is required by Government Code Section 2269.056 to determine, before solicitations for services are issued, which construction delivery method provides the best value for the College.

The Government Code authorizes six construction delivery methods: competitive bidding (combines design, bid and build); competitive sealed proposals; construction manager-agent; construction manager-at-risk (CMAR); design-build; and job order contracting.

Of the six authorized methods, Collin staff believes the CMAR method will provide the best value to the College. Under the CMAR methodology, the services of the general contractor are divided into two distinct areas:

- (1) Preconstruction - during which the CMAR acts as a consultant to the project team during the design development stage and works closely with the College, Program Manager, and the Architect/Engineer to advise on constructability, materials choices, and to offer expert cost estimation services to assure that the project stays in budget; and
- (2) Construction - where the CMAR provides project administration services and supervises and/or performs the actual construction through subcontractors and/or its own forces while keeping the project costs within the guaranteed maximum amount approved by the Board of Trustees.

Selection of the CMAR to provide the above services is recommended using the two-step process as outlined in Government Code Sec. 2269.253. Using this process, Collin College would identify finalists based solely on Step 1 qualifications then, in Step 2, evaluate additional information from those finalists, including the CMAR's proposed fee and prices for fulfilling the general conditions. Then, on that basis, the CMAR that provides best value to the College would be recommended to the Board for each project.

Beyond approval of the construction delivery method, the Board will approve selection of the CMARs and architects when the administration brings agenda items for:

(1) Consideration of Approval of Project Assignments
(Negotiate and Execute)

(2) Consideration of Acceptance of CMAR GMP

Additionally, Board involvement will occur on a regular basis via detailed monthly reports to the Campus Facilities and Construction Committee, Board information reports to be included in the monthly Board agenda, and information available to the Board and public via a web portal.

**DISTRICT PRESIDENT'S
RECOMMENDATION:**

The District President recommends approval of the construction manager-at-risk (CMAR) construction delivery method for the Collin College 2023-2030 Master Plan.

SUGGESTED MOTION:

"Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves the construction manager-at-risk (CMAR) construction delivery method for the Collin College 2023-2030 Master Plan."

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approves a contract for furniture from Facilitatech dba Business Interiors, GL Seaman & Company, Wilson Bauhaus Interiors, Plano Office Supply, Indeco Sales, Blue Box LLC, Library Interiors of Texas LLC, and Lakeshore Learning Materials, LLC on behalf of the District and members of the Collin County Governmental Purchaser's Forum.

BACKGROUND

The Collin College Purchasing Department issued a Request for Proposal Number FY2024-RFP-003 to procure furniture items and services on behalf of the District and Collin County Governmental Purchaser's Forum members.

Eight responses were received and evaluated by the District's Purchasing Department staff and representative members of the Collin County Governmental Purchaser's Forum. The proposals submitted by Facilitatech dba Business Interiors, GL Seaman & Company, Wilson Bauhaus Interiors, Plano Office Supply, Indeco Sales, Blue Box LLC, Library Interiors of Texas LLC, and Lakeshore Learning Materials, LLC were determined to be responsible and responsive to all solicitation requirements while providing the best value.

IMPACT OF THIS ACTION

The contract provides substantial cost savings for participating members. It fulfills the District's furniture and installation requirements with products from suppliers with proven backgrounds providing quality and reliable goods and services. This contract procures furniture items and services for annual operational needs and furnishes new campuses and buildings.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

This purchase request is for spend authorization of \$5,000,000 for five years and is budgeted in various departments' FY24 operating and subsequent years' budgets, subject to Board approval. The previous five-year contract spend was approximately \$5,000,000. The Producer Price Index for commercial furniture has seen a 33% increase since the last contract awarded in 2019.

MONITORING AND REPORTING TIMELINE

The contract term is February 1, 2024 through January 31, 2029.

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends that the Board of Trustees approves a contract for building maintenance, repair, and operations supplies and equipment from Ace Door and Hardware, LLC, and Mark's Plumbing Parts for the District.

BACKGROUND

Ace Door and Hardware LLC provides doors, frames, and hardware. Mark's Plumbing Parts provides plumbing parts and accessories to maintain and repair various campus locations.

Ace Door and Hardware, LLC and Mark's Plumbing Parts have a BuyBoard cooperative purchasing program contract to provide building maintenance, repair, and operations supplies and equipment, Contract Number 657-21. The contract complies with the competitive procurement requirements outlined in Section 44.031 of the Texas Education Code, as permitted through Section 791.011 of the Texas Government Code.

IMPACT OF THIS ACTION

The Technology Department is installing access controls on all the Independent Distribution Frame closets that do not currently have them as part of the security initiative. Ace Door and Hardware, LLC will provide the hardware and labor to install these controls. The estimate for this project is \$248,505. Mark's Plumbing Parts is under the same BuyBoard contract used by facilities operations for plumbing parts and accessories.

BUDGET INFORMATION

This purchasing request is for spend authorization of \$300,000, which is budgeted in the various departments' FY24 operating budgets, subject to board approval. FY23 annual spend amount was \$31,537.

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends that the Board of Trustees approves a contract for cellular services improvement to conduct site survey services for improving cellular services at all campuses from Anixter, Inc. for the Technology Department.

BACKGROUND

This contract will allow Anixter, Inc. to evaluate all Collin College campuses and then propose improvements for cellular services for in-building coverage.

IMPACT OF THIS ACTION

Cellular services within our campuses are vital components of the security of our students, faculty, and staff. Collin College has identified areas where cellular coverage is unstable within some of our campuses. Anixter, Inc. was selected to remedy the lack of adequate cellular coverage within the Technical Campus in 2022 using HEERF funding. This contract will allow Anixter, Inc. to perform site surveys at all the campuses to determine the cellular coverage needs within each campus.

Anixter, Inc., as a wholly owned subsidiary of Wesco International, Inc., has a contract through the Omnia Partners cooperative purchasing program to provide maintenance, repair, and operations supplies and equipment, Contract Number R192008. The contract complies with the competitive procurement requirements outlined in Section 44.031 of the Texas Education Code, as permitted through Section 791.011 of the Texas Government Code.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

This purchasing request is for spend authorization of \$220,500 which is in the Technology Department's FY24 operating budget.

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approves the contract for professional engineering services from Reed Wells Benson & Company for the District.

BACKGROUND

Reed Wells Benson & Company has provided professional engineering services to the District for several years for projects such as the design of the welding lab electrical revisions at the Technical Campus, review of the existing gun range control and pressurization issues at the Public Safety Training Center.

Professional engineering services are classified as professional services pursuant to Section 2254 of the Texas Government Code and are exempt from competitive bidding per Section 44.031(f) of the Texas Education Code. Contract number SCON-100838 was issued to track contract spending for professional engineering and mechanical services for the District.

IMPACT OF THIS ACTION

Approval of this contract is needed to provide professional construction engineering services for the air handler and electrical, mechanical, and structural upgrades at the McKinney Campus and Courtyard Center, as well as any projects that come up during the remainder of the fiscal year.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

This purchasing request is for spend authorization of \$850,000 which is budgeted in the Facilities Department's FY24 and FY25 operating budget, subject to Board approval. FY23 annual spend amount was \$84,000.

MONITORING AND REPORTING TIMELINE

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approves a three-year contract with The Credit Union of Texas Event Center for the All College Day venue for August 2024, 2025, and 2026.

BACKGROUND

Collin College conducts an annual meeting wherein all full-time college employees participate in person. The College has outgrown the capacity to use any College owned facilities, and there are very few venues in Collin County that can meet our needs. In prior years, we met at the Plano Center and The Star in Frisco, neither of which are possible for the 2024, 2025, and 2026 events due to capacity and availability. This venue has the capacity and is available on the planned dates in 2024, 2025, and 2026.

The Credit Union of Texas Event Center will provide sufficient space and parking to accommodate:

- Meeting space for all full-time employees
- Display space for the silent auction that raises funds for student scholarships
- Space for vendors that provide current information for employees about College benefits and community discounts available to them

IMPACT OF THIS ACTION

The ability to utilize this space will allow the College to continue hosting the All College Day event in person. This event provides an opportunity to celebrate College-wide awards, including the ROSE Awards and Faculty of the Year Awards, and to update the entire College community about activities and plans for the upcoming year.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

This purchasing request is for a three-year spend authorization of \$345,000 (variable cost due to food and beverage minimums in contract), which is budgeted in the District President's FY24 operating budget and subsequent years' budgets, subject to Board approval. FY23 annual spend amount was \$138,122.

MONITORING AND REPORTING TIMELINE

The contract term will commence upon the last date the contract is executed by all parties and will continue through August 14, 2026.

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approves a three-year contract with The Credit Union of Texas Event Center for the December 2024, May and December 2025, May and December 2026, and May 2027 commencement venue.

BACKGROUND

Collin College hosts a commencement ceremony at the conclusion of each Fall and Spring semester to recognize our recent graduates and candidates for graduation. We have utilized the Credit Union of Texas Event Center in Allen (fka Allen Event Center) since May 2011, adding the second ceremony beginning December 2018. In prior years, we utilized the Plano Convention Center but outgrew the venue as the College expanded its number of graduates. Additionally, we have outgrown the capacity to use any College facilities and most other venues in Collin County. The Star in Frisco is the only other viable venue but is not a top choice due to its size, location, and cost. The Credit Union of Texas Event Center has the necessary capacity and is available on the planned dates in 2024, 2025, and 2026.

The Credit Union of Texas Event Center will provide sufficient space and parking to accommodate:

- Seating for graduates and faculty on the arena floor
- Seating for guests including general seating and specialized areas for those needing accommodations
- Meeting rooms for regalia distribution and returns
- Suites for stage platform party and storage of belongings and regalia
- Lounge space for catering of faculty and volunteers

IMPACT OF THIS ACTION

Without this space, the College will be unable to find a sufficiently-sized replacement venue to host the twice annual commencement ceremonies.

BUDGET INFORMATION (INCLUDING ANY STAFFING IMPLICATIONS)

This purchasing request is for a three-year total spend authorization of up to \$240,000, up to \$40,000 for each commencement ceremony, which will be budgeted in the VP Student and Enrollment Services, and will be budgeted for in the VP Student and Enrollment Services FY25, FY26, and FY27 operating budgets, subject to Board approval.

MONITORING AND REPORTING TIMELINE

We anticipate the term of contract as the date of the signed contract through May 14, 2027.

Project Status: The project is on budget and in yellow status due to schedule risks.

Objectives of the Project:

- Improve the student experience through enhanced stakeholder-facing tools using data-driven seamless engagement of students, faculty, staff, and administrators
- Modernize student systems and other supporting enterprise systems
- Offer configurable, streamlined processes providing an agile response to institutional and environmental changes

Status Summary: Key Accomplishments

- Professional and Continuing Education (PACE) registration targeted for summer 2024
- Workday to Ad Astra integration in production – 12/1/23
- Efforts continue on data migration and business process configurations

Key Events and Milestones

The following is additional information as required by State of Texas regulations for the Collin County Community College District.

1. Does Collin County Community College employ outside investment advisors or managers and, if so, who are they (provide individual or firm name and address)? Do the outside investment advisors or managers have the authority to make investment decisions without obtaining prior approval?

NOTE: Institutions should include all consultants and “separately managed account” portfolio managers (in which the underlying investments are wholly owned by the institution) in this disclosure.

Collin College contracts Meeder Public Funds as investment advisors located at 901 South MoPac, Suite 300, Austin, TX 78746. Meeder Public Funds does not have authority to make investment decisions without prior approval.

2. Does Collin County Community College use soft dollar, directed brokerage or directed commission, commission recapture, or similar arrangements (these arrangements typically involve using brokerage commissions as a means of paying for other related investment services through credits of a portion of brokerage commissions paid rather than through direct payments, or using selected brokers who will rebate a portion of commissions they receive on trades for the investor)? If the answer to this question is yes, the institution must summarize briefly the guidelines that govern the use of such arrangements.

No

3. Is Collin County Community College associated with an independent endowment or foundation? If the answer to this question is yes, the institution must provide contact information (name and address) for the individual(s) who manage the independent endowment or foundation. The institution must also provide, if available, the market value of the endowment’s or foundation’s investments.

Yes

For information about the Foundation contact Lisa Vasquez, V.P. Advancement, Collin County Community College Foundation, 3452 Spur 399, Suite 429, McKinney, TX 75069. At 8/31/23 the permanently restricted endowment corpus was \$10,625,919 and the fair value of the Foundation’s investments was \$19,664,556.

A Fed Pause Turn Into a Fed Pivot?

In November, the Federal Open Market Committee unanimously voted to leave rates unchanged for the second consecutive meeting, leaving the target range for the federal funds rate at 5.25% - 5.50%. Chairman Jerome Powell messaged throughout the month that it is too early to declare an end to rate hikes, much less to speculate when rate cuts will happen. Powell cautioned that “It would be premature to conclude with confidence that we have achieved a sufficiently restrictive stance, or to speculate on when policy might ease”. However, markets still expect rate cuts in 2024 as yields moved lower during the month.

The labor market continues to soften, leading markets to believe we are at the end of the rate hiking cycle. The October US Employment report was softer than expected, showing that the US economy added 150,000 jobs during the month compared to 336,000 in the prior month. Year-over-year wage increases continue to slow, now down to 4.1%, the lowest reading since July 2021. Even though the labor force continues to grow, average hours worked have stalled and are back to pre-pandemic levels. Jobless claims continue to grind higher, and the unemployment rate ticked up to 3.9% from 3.8% previously.

Inflation data continues to weaken as well. The core Personal Consumption Expenditures (PCE) Index, the Federal Reserve’s preferred measure of price inflation, continues to moderate. Data from October showed that inflation slowed to an annual pace of 3.5%, the lowest level since August 2021. Month-over-month, the index increased by just 0.16%, and annualizing the last 6 monthly increases shows consumer prices are increasing at a rate of 2.44%, within striking distance of the Federal Reserve’s target.

Rates Retreat from October Highs

We are getting closer to the end of the Federal Reserve's historic rate hiking cycle, and markets continue to price in a more aggressive pace of rate cuts. At the end of October, markets were pricing in nearly three rate cuts in 2024. By the end of November, markets had priced in another two rate cuts for a total of five by the end of 2024. This shift in market expectations for monetary policy prompted the 2-year treasury yield to decline by 0.41% to 4.68%. Likewise, long-term bond yields also decreased, as the 10-year treasury declined by 0.60% to 4.33%. The spread between the 2-year and 10-year treasury yield decreased by 0.20% to -0.36% from -0.16%, keeping the curve inverted and signaling lower policy rates ahead.

We will continue to look to add value by picking up incremental yield on high-quality bonds. Rates are still near historic levels not seen since 2007, making this a very attractive time to buy longer maturities and lock in yields.

Labor Market and Inflation Continue Moderating

The last month of the year saw the bond market continue to rally as the Federal Reserve made its most dovish statement to date. For the third meeting in a row, the FOMC unanimously voted to leave rates unchanged. More importantly, the median dot from the updated Summary of Economic Projections showed the Federal Reserve was expecting more rate cuts in 2024. The median dot now reflects three 0.25% cuts compared to two 0.25% cuts reflected at the September meeting. After Jerome Powell's press conference, where he confirmed the committee discussed the timing of rate cuts, market participants priced in a more aggressive path for rate cuts. By the end of December, market participants were expecting six 0.25% cuts in 2024. With both the Federal Reserve and markets expecting some level of policy easing in 2024, the actual path will be determined by the next several months of economic data.

The labor market's resilience in the face of a historic rate hiking cycle has surprised many investors and has kept a soft landing in play. The labor market has softened substantially since 2022 and is now expanding at a more manageable pace. The labor force has been adding on average 185,000 employees in the last six months, down from 400,000 in 2022 and in line with historic averages. Today, there are 1.3 job openings for each unemployed person, down from a peak of 2 in March 2022. Workers are quitting at a lower rate as well, as they are less optimistic about the opportunity to switch jobs. Fewer job openings and job switching should keep a lid on wage growth.

The most recent inflation data showed that peak inflation is likely behind us and that inflation is tracking much closer to 2 percent. Over the last six months, the Personal Consumption Expenditures (PCE) index increased at a rate of 2.0%. Likewise, core PCE has increased at a rate of 1.9%. This is the first time since the fall of 2020 that inflation readings have been at or below the Federal Reserve's mandate of 2%. Shelter inflation has proven to be sticky, but recent trends in rent inflation and housing prices show that those are also returning to more normal levels.

Interest Rates Continue Moving Lower

Although a handful of Federal Reserve voters tried to walk back some of the rate cuts that have been priced in, market participants did not change their stance. Yields moved lower across the curve during the month, reflecting their expectations for lower rates in the future. The 2-year Treasury yield declined by 0.43% to 4.25%, and the 5-year Treasury yield declined by 0.42% to 3.85%. The yield curve remained inverted at the end of the year and has now been inverted for 18 months.

Even with the recent decline in interest rates, bond yields remain attractive and above long-term averages. If market participants and the Federal Reserve are correct, locking in yields at these levels will be beneficial to portfolio yields.

A Fed Pause Turn Into a Fed Pivot?

In November, the Federal Open Market Committee unanimously voted to leave rates unchanged for the second consecutive meeting, leaving the target range for the federal funds rate at 5.25% - 5.50%. Chairman Jerome Powell messaged throughout the month that it is too early to declare an end to rate hikes, much less to speculate when rate cuts will happen. Powell cautioned that “It would be premature to conclude with confidence that we have achieved a sufficiently restrictive stance, or to speculate on when policy might ease”. However, markets still expect rate cuts in 2024 as yields moved lower during the month.

The labor market continues to soften, leading markets to believe we are at the end of the rate hiking cycle. The October US Employment report was softer than expected, showing that the US economy added 150,000 jobs during the month compared to 336,000 in the prior month. Year-over-year wage increases continue to slow, now down to 4.1%, the lowest reading since July 2021. Even though the labor force continues to grow, average hours worked have stalled and are back to pre-pandemic levels. Jobless claims continue to grind higher, and the unemployment rate ticked up to 3.9% from 3.8% previously.

Inflation data continues to weaken as well. The core Personal Consumption Expenditures (PCE) Index, the Federal Reserve’s preferred measure of price inflation, continues to moderate. Data from October showed that inflation slowed to an annual pace of 3.5%, the lowest level since August 2021. Month-over-month, the index increased by just 0.16%, and annualizing the last 6 monthly increases shows consumer prices are increasing at a rate of 2.44%, within striking distance of the Federal Reserve’s target.

Rates Retreat from October Highs

We are getting closer to the end of the Federal Reserve's historic rate hiking cycle, and markets continue to price in a more aggressive pace of rate cuts. At the end of October, markets were pricing in nearly three rate cuts in 2024. By the end of November, markets had priced in another two rate cuts for a total of five by the end of 2024. This shift in market expectations for monetary policy prompted the 2-year treasury yield to decline by 0.41% to 4.68%. Likewise, long-term bond yields also decreased, as the 10-year treasury declined by 0.60% to 4.33%. The spread between the 2-year and 10-year treasury yield decreased by 0.20% to -0.36%, keeping the curve inverted and signaling lower policy rates ahead.

We will continue to look to add value by picking up incremental yield on high-quality bonds. Rates are still near historic levels not seen since 2007, making this a very attractive time to buy longer maturities and lock in yields.

Meeder Public Funds, Inc., is a registered investment adviser with the Securities and Exchange Commission (SEC) under the Investment Advisers Act of 1940. Registration with the SEC does not imply a certain level of skill or training. The opinions expressed in this presentation are those of Meeder Public Funds, Inc. The material presented has been derived from sources considered to be reliable, but the accuracy and completeness cannot be guaranteed.

Meeder provides monthly statements for its investment management clients to provide information about the investment portfolio. The information should not be used for audit or confirmation purposes. Please review your custodial statements and report any inaccuracies or discrepancies.

Certain information and data have been supplied by unaffiliated third parties. Although Meeder believes the information is reliable, it cannot warrant the accuracy of information offered by third parties. Market value may reflect prices received from pricing vendors when current market quotations are not available. Prices may not reflect firm bids or offers and may differ from the value at which the security can be sold.

Statements may include positions from unmanaged accounts provided for reporting purposes. Unmanaged accounts are managed directly by the client and are not included in the accounts managed by the investment adviser. This information is provided as a client convenience and the investment adviser assumes no responsibility for performance of these accounts or the accuracy of the data reported.

Investing involves risk. Past performance is no guarantee of future results. Debt and fixed income securities are subject to credit and interest rate risk. The investment return and principal value of an investment will fluctuate so that an investors shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted.
